

No.19 (Auckland) Squadron ATC Monthly Carwash Fundraising Briefing Sheet

Once a month, 19 Squadron has the opportunity to raise money by washing the vehicle fleet of the New Zealand Herald. We get \$30/car and wash at least 15 cars to earn \$450+ for only a few hours work!

This is a much more efficient form of fundraising than selling sausages, chocolates or raffle tickets.

We have organised a roster that mean all Squadron personnel only need to assist a couple of times a year. If you cannot attend on your scheduled day, it is your responsibility to find a replacement beforehand.

The roster and exact dates are available on Parade nights and on the Squadron website www.19squadron.org.nz

All Squadron personnel including Cadets, NCOs, Officers and Support Committee will be involved. Parents may assist if they wish.
